

Pop-Up Room Tidy

The product is made from Polyester fabric that is silk screen printed on the front panel, with a sprung steel frame that POPs Open, sewn into the seam. Be careful it pops open quite forceably. The product can then be twisted shut for easy storage. It should be wiped clean with a sponge should it become dirty. The product differs from the POP UP Storage chest in that it stands vertically and has no lid.

Caution! Product packaged under tension!
